WORKFORCE INVESTMENT ACT

Number: WIAB02-85

Date: May 9, 2003

Expiration Date: 6/30/04

TO: WORKFORCE DEVELOPMENT COMMUNITY

SUBJECT: RESCISSION OF ADULT AND DISLOCATED WORKER FUNDS FOR PY
2002-03

The purpose of this information bulletin is to announce a federal rescission of Program Year (PY) 2002-03 Adult and Dislocated Worker formula funds. The announcement of the rescission was included in the Training and Employment Guidance Letter (TEGL) NO. 23-02 issued by the Department of Labor (DOL) on April 1, 2003. This TEGL is available for viewing on the DOL Web site at www.doleta.gov/.

The rescission will reduce by 0.65 percent the Adult (Grant Code 202) and Dislocated Worker (Grant Code 502) formula funds available to each Local Workforce Investment Area (LWIA) as of October 1, 2002. On a positive note, the DOL also announced that California would receive a re-allotment of Dislocated Worker funds recaptured from those states not meeting obligation requirements. The receipt of these funds will somewhat mitigate the effects of the rescission of Dislocated Worker funds. A description of the recapture and re-allotment process is included in TEGL NO. 24-02 issued by DOL on April 4, 2003. The attached spreadsheet shows the rescission amounts of Adult funds and the net rescission amounts of Dislocated Worker funds after re-allotment. As a reminder, the reduction of funds in PY 2002 Grant Codes 202 and 502 will also reduce the amounts available to each LWIA for administrative costs (10 percent maximum). Each LWIA must limit charges to the administrative cost category accordingly, based on the rescission amounts.

If you have any questions regarding the above information, please contact your Regional Advisor, or you may contact Dave Rexius, manager of the Financial Management Unit at (916) 654-8502.
